

## Bureau of Land Management, Interior

## § 2568.91

### **§ 2568.79 Are there any rules about the number and size of parcels?**

Yes. You may apply for one or two parcels, but if you apply for two parcels the two combined cannot total more than 160 acres. You may apply for less than 160 acres. Each parcel must be reasonably compact.

### **§ 2568.80 Does the parcel have to be surveyed before I can receive title to it?**

Yes. The land in your application must be surveyed before BLM can convey it to you. BLM will survey your allotment at no charge to you, or you may obtain a private survey. BLM must approve the survey if it is done by a private surveyor.

### **§ 2568.81 If BLM finds errors in my application, will BLM give me a chance to correct them?**

Yes. If you file your application during the 18-month filing period and BLM finds correctable errors, it will consider the application as having been filed on time once you correct them. BLM will send you a notice advising you of any correctable errors and give you at least 60 days to correct them. You must make corrections within the specified time or BLM will reject your application.

### **§ 2568.82 If BLM decides that I have not submitted enough information to show qualifying use and occupancy, will it reject my application or give me a chance to submit more information?**

(a) BLM will not reject your application without giving you an opportunity for a hearing to establish the facts of your use.

(b) If BLM cannot determine from the information you submit that you met the use and occupancy requirements of the 1906 Act, it will send you a notice saying that you have not submitted enough evidence and will give you at least 60 days to file additional information.

(c) If you do not submit additional evidence by the end of the time BLM gives you or if you submit additional evidence but BLM still cannot determine that you meet the use and occupancy requirements, the following process will occur:

(1) BLM will issue a formal contest complaint telling you why it believes it should reject your application.

(2) If you answer the complaint and tell BLM you want a hearing, BLM will ask an Administrative Law Judge (ALJ) of the Interior Department, Office of Hearings and Appeals, to preside over a hearing to establish the facts of your use and occupancy.

(3) The ALJ will evaluate all the written evidence and oral testimony and issue a decision.

(4) You can appeal this decision to the Interior Board of Land Appeals according to 43 CFR part 4.

#### AVAILABLE LANDS—GENERAL

### **§ 2568.90 If I qualify for an allotment, what land may BLM convey to me?**

You may receive title only to:

(a) Land that:

(1) Is currently owned by the Federal government,

(2) Was vacant, unappropriated, and unreserved when you first began to use and occupy it,

(3) Has not been continuously withdrawn since before your sixth birthday,

(4) You started using before December 14, 1968, the date when Public Land Order 4582 withdrew all unreserved public lands in Alaska from all forms of appropriation and disposition under the public land laws, and

(5) You prove by a preponderance of the evidence that you used and occupied in a substantially continuous and independent manner, at least potentially exclusive of others, for five or more years. This possession of the land must not be merely intermittent. "Preponderance of evidence" means evidence which is more convincing than the evidence offered in opposition to it; that is, evidence which as a whole shows that the fact you are trying to prove is more likely a fact than not.

(b) Substitute land explained in 43 CFR 2568.110.

### **§ 2568.91 Is there land owned by the Federal government that BLM cannot convey to me even if I qualify?**

You cannot receive an allotment containing any of the following:

(a) A regularly used and recognized campsite that is primarily used by someone other than yourself. The
